"Painting the Town Red"

As we the members of the class of 1986 begin painting our futures, we must also take time to remember the highlights that have colored our pasts.

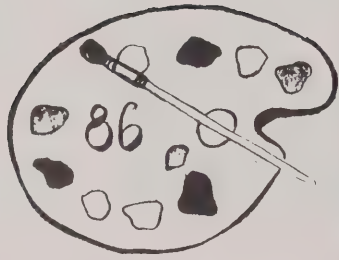

We take a moment now to brush away tomorrow and fade back into yesterday. Although the memories may fill us with mixed emotions, they will be the tablets from which our futures are drawn.

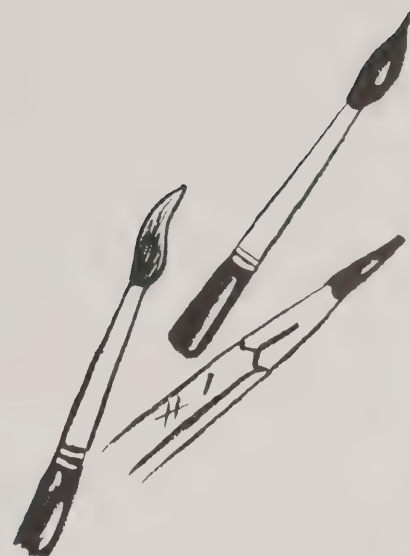

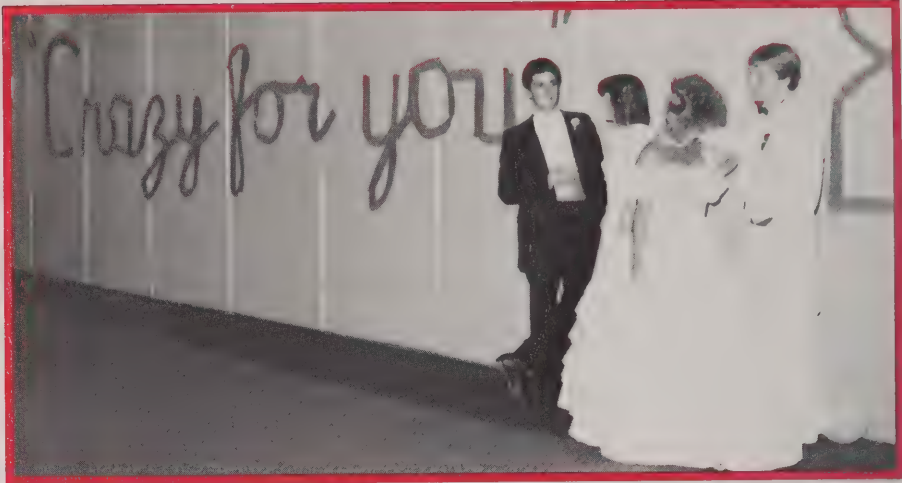

SATURDAY, MAY 15, wasn't an ordinary "Watch The Love Boat," or "Go to the movies" evening. No, that night most of the class of 1986 was at the Dunfee Hyannis Tivoli Room for *THE JUNIOR PROM!*

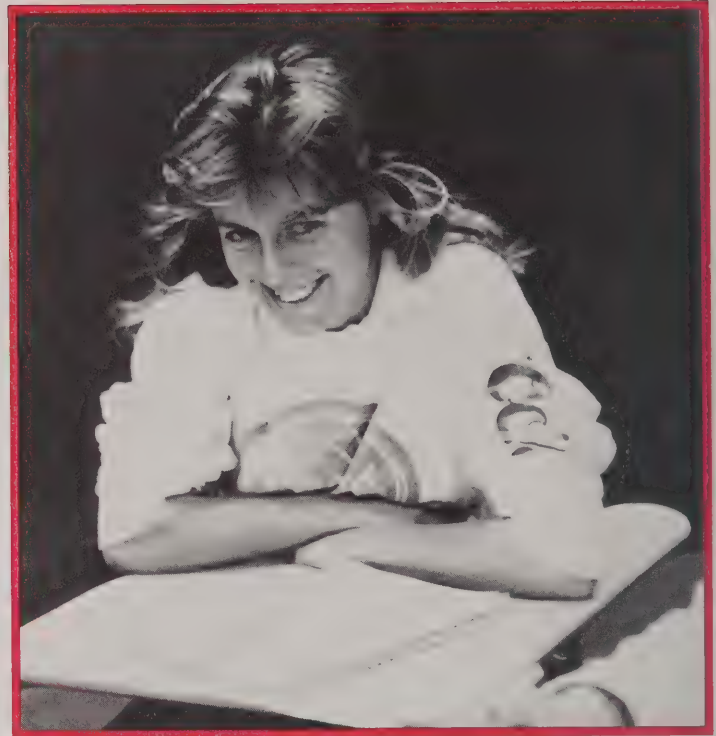

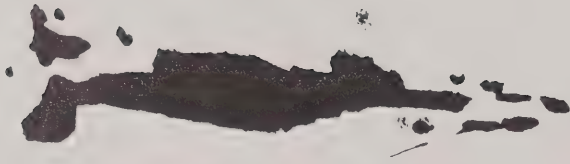

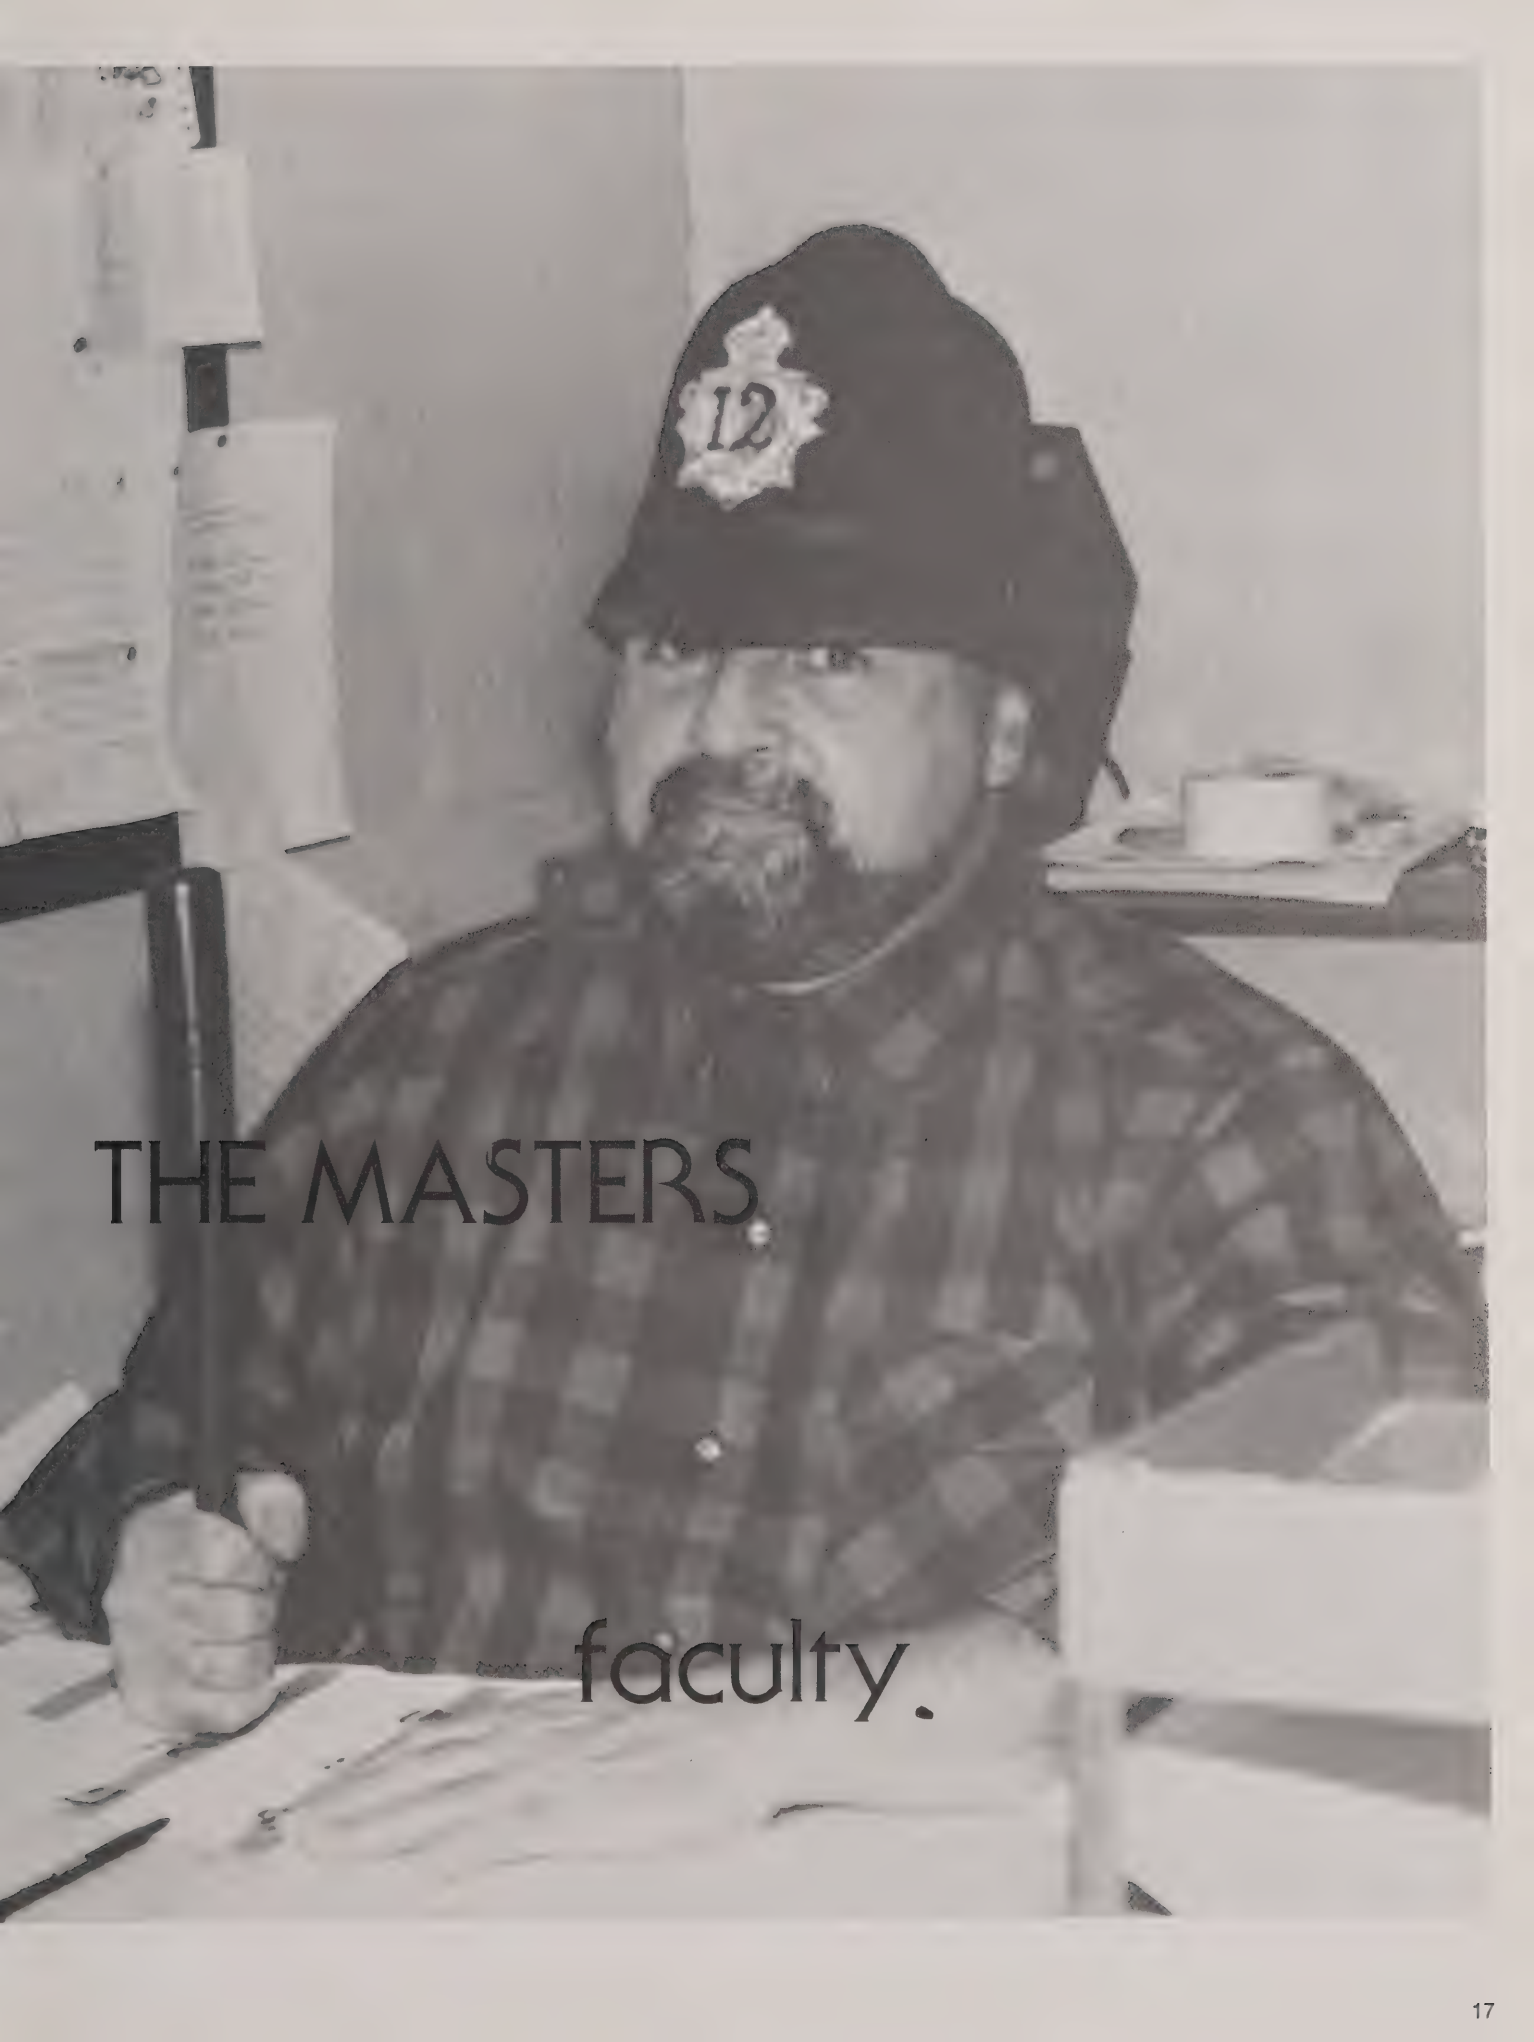

Bottom Left. Prom Queen: Jennifer Ciccarelli and her court.
Left to Right: Audra Conklin, Jenny McClelland, Laura Crowell, Julie Glaser, and Cheryl Guire.

Nurse's Office

No matter what time of day or year it happens to be, the nurses' office is quite busy. The office is always open to take care of simple cuts, bruises, and scrapes.

Of course, they also handle major emergencies and are responsible for keeping records of immunization shots. The class of '86 is grateful for their care.

School Nurse Nancy Coughlin is framed on the right by Carol Dupuis, Health Dept. Sec. and June Alttaniemi, Health Aid.

Library

The B.H.S. Library is filled with books, magazines, periodicals, and a dedicated library staff. Not only is our library a resource center, but it is also a quiet place where students may study throughout the day. Mr. Geary, the head librarian, effectively keeps our library running smoothly.

Library Staff: Left to Right: Mrs. Murphy, Mr. Geary, Librarian, Mrs. Magnant, and Mrs. Hicks.

Audio-Visual

Adam Machado and Mr. John Loughnane take time out to pose for the camera.

Jeanne Kelley and John Desharnais are all smiles.

MASTERPIECES

seniors

Our four years have passed and we have finally completed the mural of our high school years. The friendships that have highlighted our past four years will live on as we paint our futures.

As we look towards tomorrow, we are united in our knowledge that every individual in his or her own way has contributed greatly to the picture drawn at B.H.S. by the class of '86. For this, we, your officers, are extremely grateful.

Go well . . .

"The demons of fear are writhing naked and unconcealed. Fear lurks in almost all of us. There is fear in myself; you can see it in my choice of words. Why use such a divisive word as "us" which necessarily implies a "them," if not out of fear? Consider the word "host" which derives from exactly the same root as "hostile." Language is a prison. When you learn to read and write you gain the freedom of deciding which concept-cells you're going to be locked up in. Words distort vision and perspective."

Junior Miss

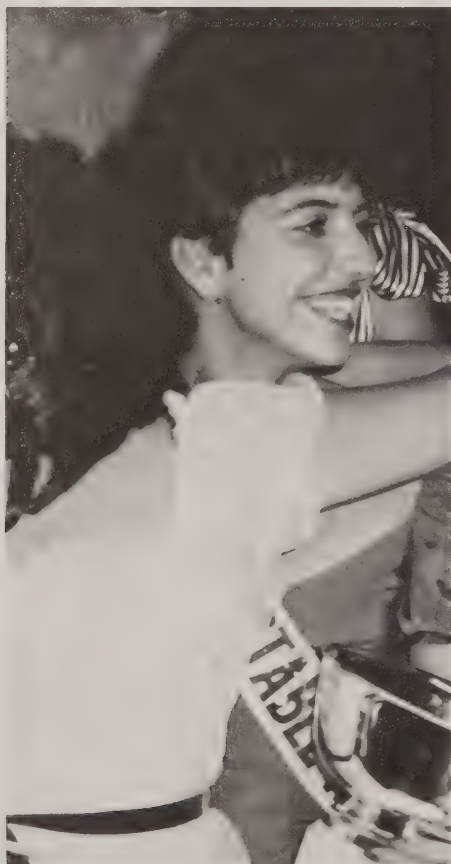

The Junior Miss Program is a nationwide scholarship program for senior girls. Its aim is to reward those who excel in personality, poise, and promise. The Junior Miss Pageant is not a beauty contest; girls are judged on articulation, clarity of expression, ability to organize thoughts, scholastic achievement, physical fitness, creative and performing arts, and poise and appearance.

Junior Miss is a great opportunity for the girls to get to know other girls in their graduating class. Junior Miss is such a rewarding experience because the girls know it isn't just the winners who win; each girl has been enriched by her participation.

Top: Claire Pissimissis is chosen by the judges as Junior Miss 1985.

Bottom Left: Claire is congratulated.

Bottom Right: Left to Right: Donna Martone, Traci Richards, Claire Pissimissis, and Cheryl Guire.

The Winners of the Junior Miss Pageant: Junior Miss, Claire Pissimissis; First runner-up, Donna Martone; Second runner-up, Cheryl Guire; Third runner-up, Traci Richards. Other Awards Given: Poise and appearance, Jenelle Lawson; talent award, Lani Miller; physical fitness, Jenelle Lawson; Spirit of Junior Miss, Stephanie LaRoche; Academic award, Claire Pissimissis.

Powder Puff

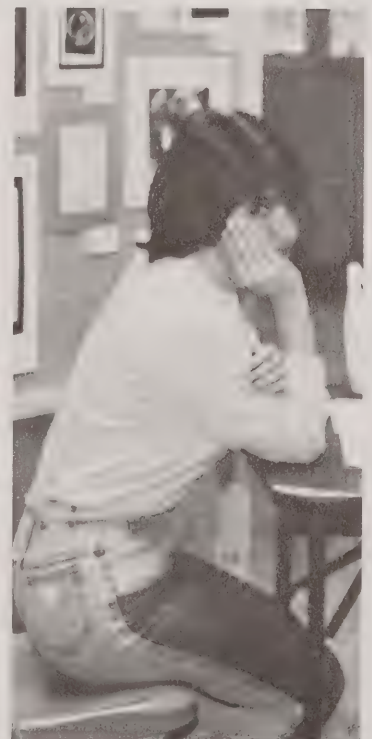

With football season well on its way to the Barnstable-Falmouth game on Thanksgiving Day, the school spirit at BHS soars.

The females of the class of '86 revealed the height of this spirit in the Powderpuff game traditionally held the Sunday before Thanksgiving. On that day, the senior girls battled the junior girls in an exciting football game while being spurred on by an all-male cheerleading squad. This year, the battle between the junior and senior classes ended in a draw with the Junior girls winning the game and the Senior boys winning the cheerleading competition.

Art Show

The Barnstable High School's Art Show is held annually and provides the public with a view of creative talent. Most of the students display work that they have been working on over the year. While at the show, students usually sketch or paint, so the spectators can see these talented artists at work. Many community members look forward to this yearly event which is always a big hit.

Under the direction of Ms. Bendiksen, this year's yearbook staff has successfully produced the **1986 Barnacle**. The yearbook class is actually a business enterprise which manages funds in excess of \$16,000, funds raised through advertising and sale of the book.

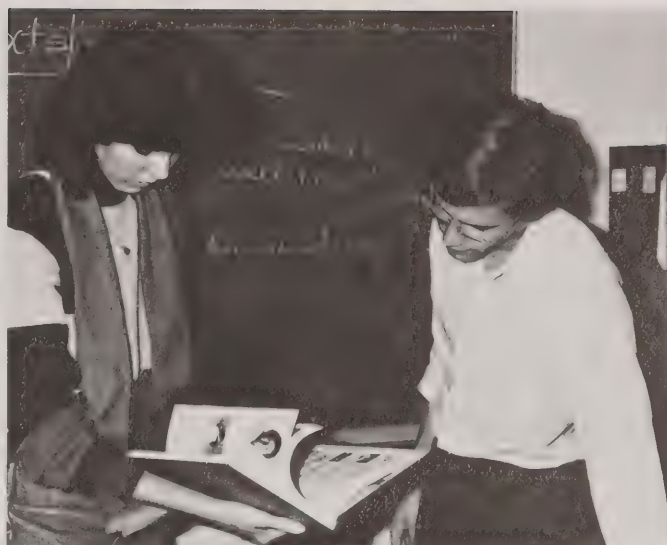

With the guidance of Beth Breen, Editor-in-Chief; Lisa Lattimer, Copy Editor; Berdine White, Layout Editor; Todd Minotti, Photography Editor; and Sara Northup, Business Manager, deadlines were met and pages were produced.

Although the class officially began with the start of school last fall, students were selected in the spring and began meeting after school to work on the book. During the summer, the yearbook staff sold \$7,000 worth of advertising to cover part of the cost of production.

Because each staff member is responsible for his or her own layouts, each member learns the publication process from beginning to end.

We would like to thank everyone who respected our deadlines by submitting all materials necessary for the yearbook's completion.

THE MIGHTY RED RAIDERS

Seniors,

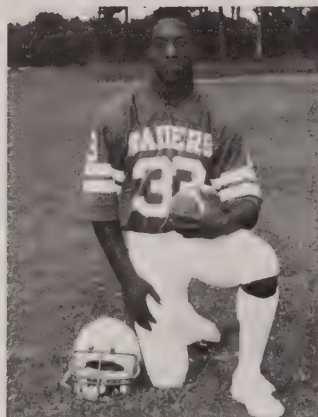

When the 1985 season opened in August, you were an insecure group searching for an identity and doubting your ability to provide the leadership exhibited by your predecessors. Three months later, as "final proof" that you were winners, you closed the season with a record breaking seventh consecutive victory over Falmouth. The tremendous progress that you made, both individually and as a team, is what I will remember. Thank you for making the '85 season an unexpected success.

Autographs

In the pages of Barnacle 1986, we have brushed across some of the fine memories of our high school days. Just as the sun leaves the sky with a red glow promising a beautiful tomorrow, so the Class of '86 departs knowing that each of its members is carrying that red glow from the days that we "Painted the Town Red," which will promise a beautiful dawn for the Class of 1986.

IF

If a picture paints a thousand words,

Then why can't I paint you?

The words will never show

The you I've come to know.

If a face could launch a thousand ships,

Then where am I to go?

There's no one home but you;

You're all that's left me, too.

And when my love for life is running dry,

You come and pour yourself on me.

If a man could be in two places at one time,

I'd be with you,

Tomorrow and today,

Beside you all the way.

If the world should stop revolving,

Spinning slowly down to die,

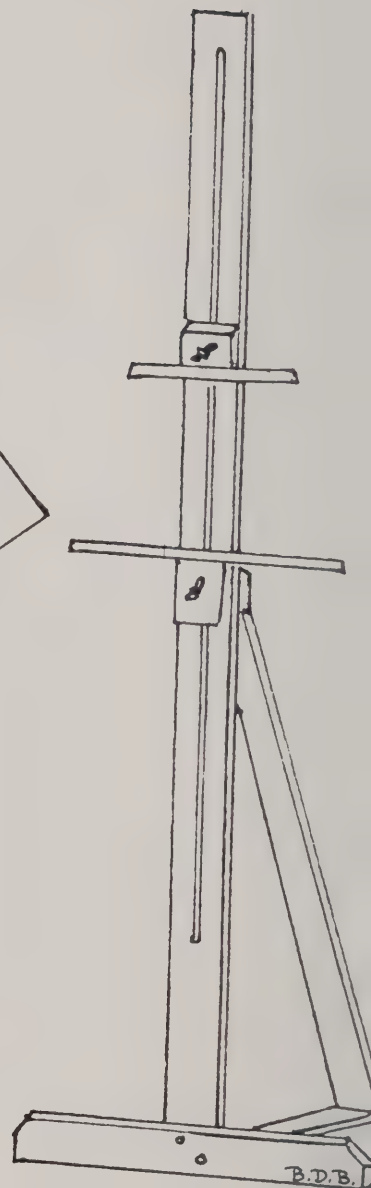

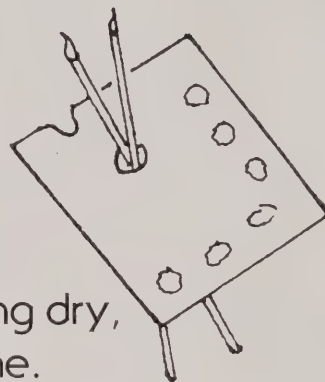

I'd spend the end with you.

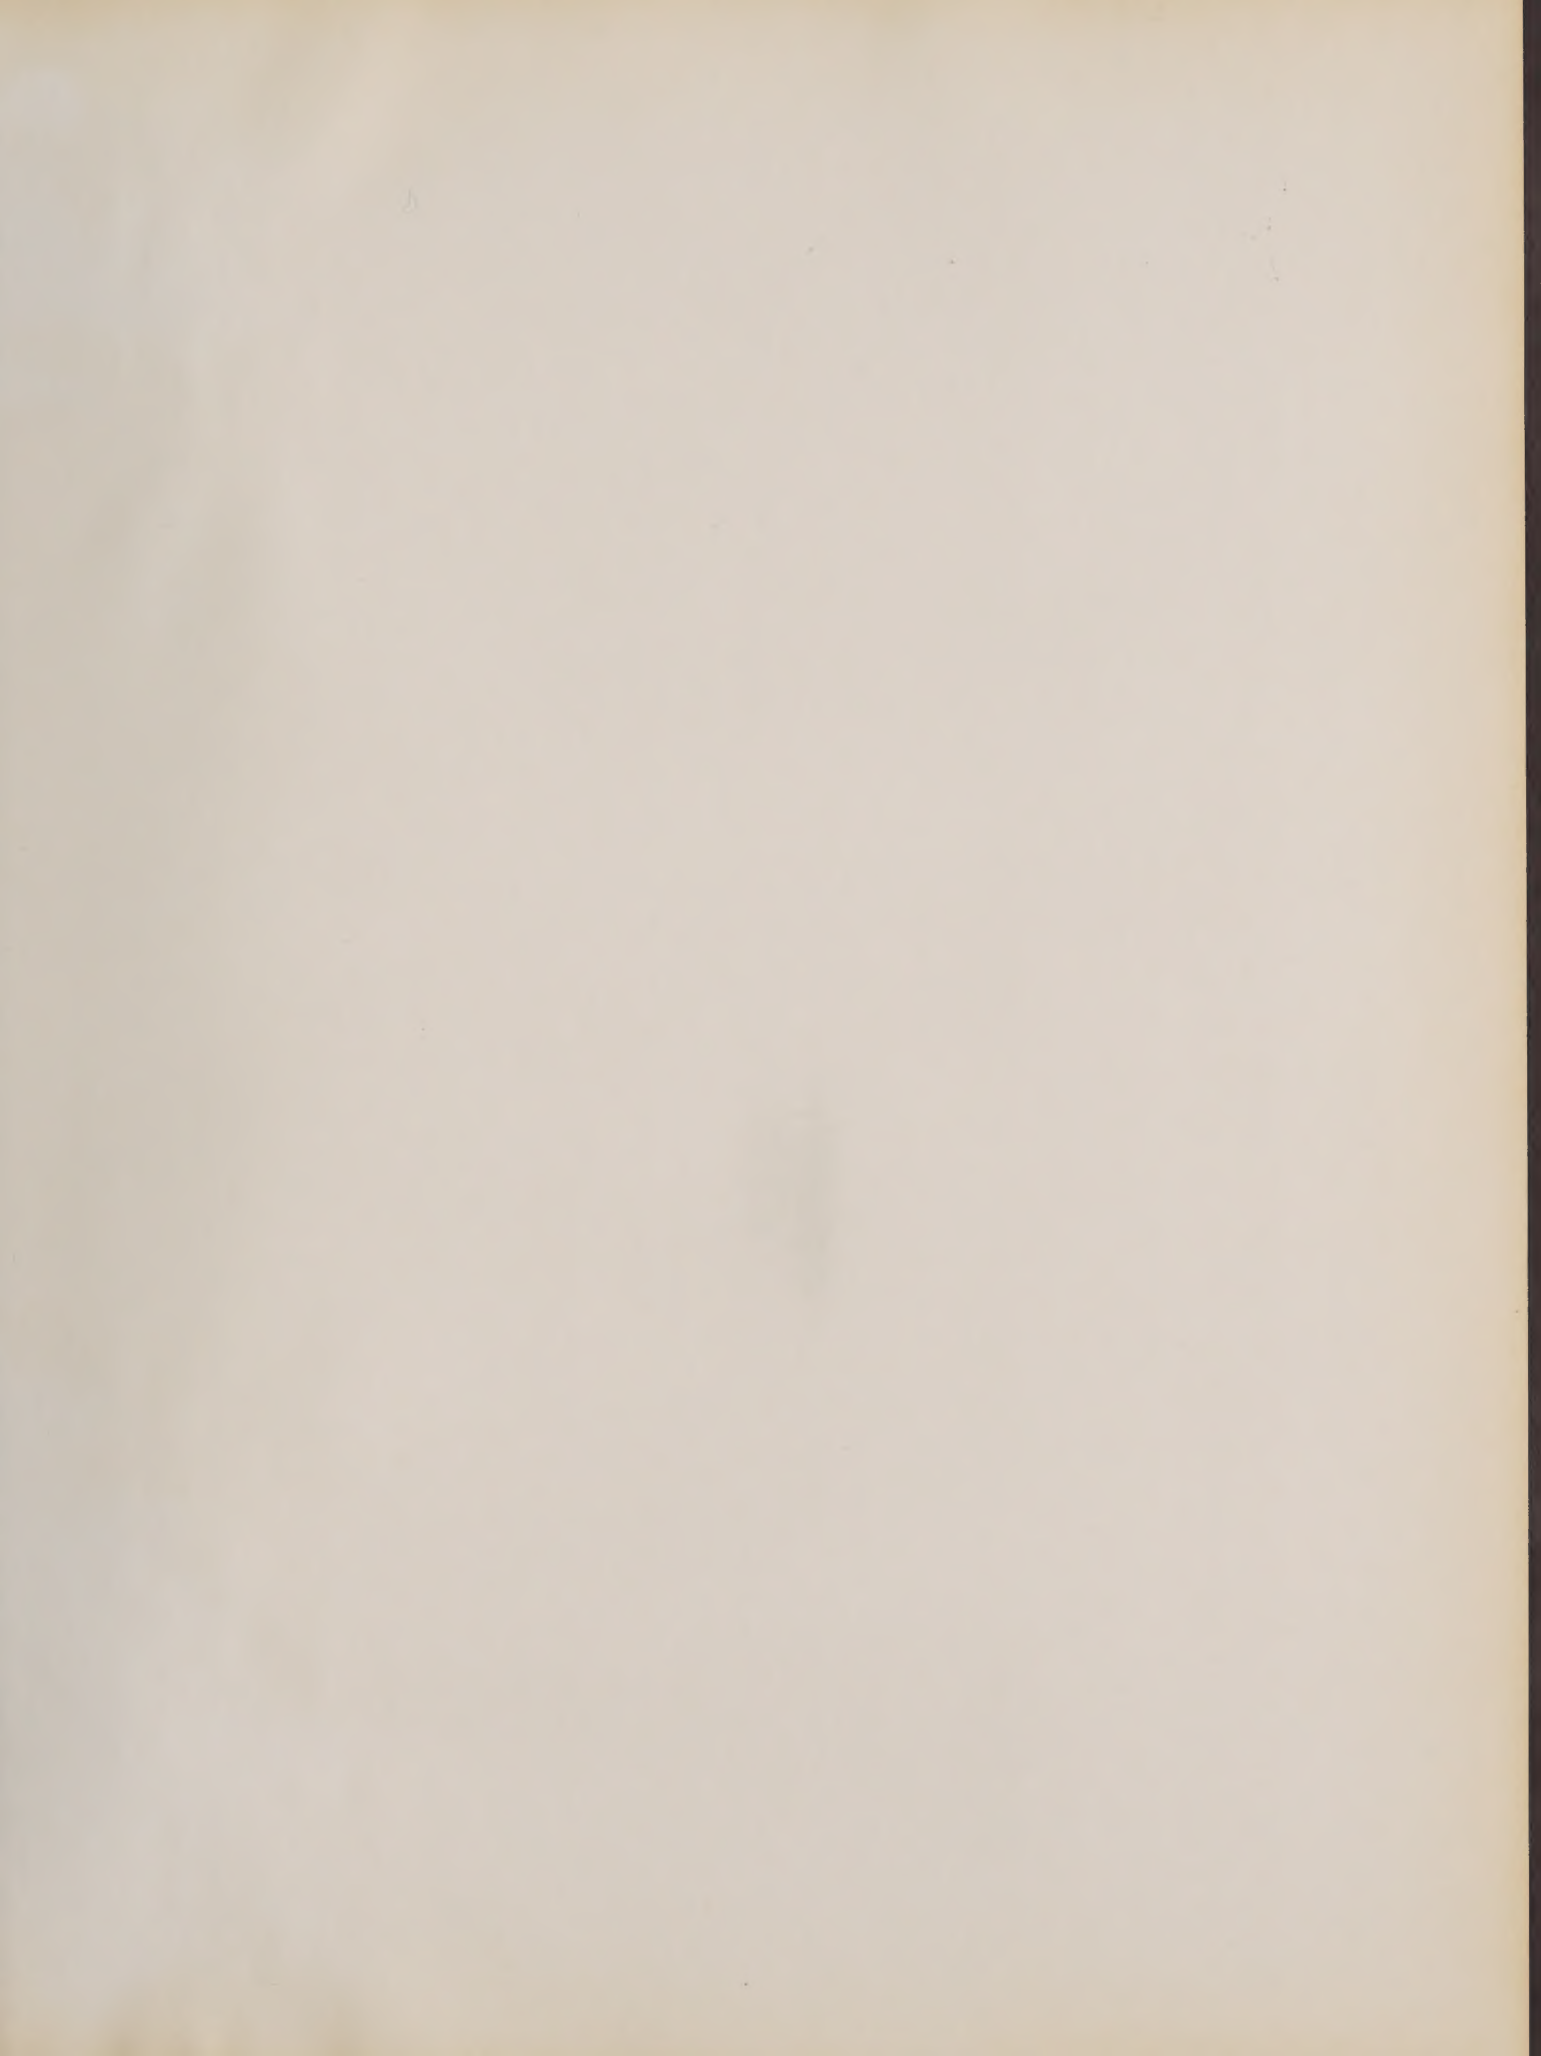

And when the world was through,

One by one the stars would all go out.

Then you and I would simply fly away.
